WITCH**

LAWN-ROLLER

PERFECTION FOR THE LAWN, GARDEN OR TENNIS COURT
This is a Water Ballast Roller. When empty its weight is but 115 pounds, but when filled with water it weighs 470 pounds, so you can get any weight you desire between these two by putting in just what water you require to make the weight you need. The WATER WITCH can be filled or emptied in a moment's time and runs easily with the heaviest ballast.

We have just received another shipment of these rollers. Call and see one.

FIGHT GAME

SEEMS RIPE

Hoao Wants to Get at McGurn
Again and Latter Looking
for Hall's \$500.

The fight between Hoao and McGurn seems to be a very close one. The indications are that there will be more bouts pulled off in this city within the next few weeks.

Everyone was satisfied, apparently, with the exhibitions given Monday night at the Asahi, for there was plenty of blood and action from start to finish.

Before the fight there was good backing for each of the men in the three bouts, and the results of the fights on Monday do not necessarily mean that the men who won at that time could do so at a future time when they meet the same opponents.

Jim Hoao, in fact, is confident that he can whip Joe McGurn, and wants another try at him, and it is possible that some promoter will get into the field with a card for the evening of February 21, when there will be a big crowd in the city for the Carnival and Floral Parade.

Then McGurn is looking for the Australian wonder, Hall, who was willing to wager \$500 that he could whip Dick Sullivan or any other fighter in Honolulu.

He was tried out and found wanting before a crowd of sports when it was talked of putting him up against McGurn as a principal in the event of the evening which came off last Monday.

After Hall realized that he could not get at McGurn on that occasion he came around with the talk that he would bet \$500 that he could whip McGurn at any time, but wanted to take him on after the fight with Hoao and issued a challenge to that effect.

McGurn is looking around to find that \$500, and has a like amount to cover it as soon as Hall comes through.

There were several challenges made on the night of the fight this week, and Pink, who won the second bout, took up that of Soldier Harding for a go to be arranged later.

With the material on hand for a good card, and with the success of the last promotion in the fight game, it ought to be easy to arrange a card for the latter part of next

month or in February just before the carnival, which would attract a big crowd and be a winner.

**ASAHI'S WENT DOWN TO
DEFEAT BEFORE WAIPAHU**

At Waipahu the Asahi ball team met defeat at the hands of a local aggregation on Monday, to the tune of 12 to 9, home runs and two-baggers figuring in the game prominently.

The summary:

Eddie Root of the Root-Moran team finished first December 10th in the final mile dash that decided the six-day bike race at Madison Square Garden. His time for the mile was 3 minutes 54 1/5 seconds, and his distance for the six days 2,545 miles 3 laps.

After next July racing clubs in New Zealand will have authority to prevent bookmakers operating on their courses. At present the clubs are forced to permit bookmaking.

RELATIONS TO BE RESUMED

Baseball Game Scheduled for
June in Cambridge Be-
tween Old Rivals.

CAMBRIDGE, Mass., Dec. 3.—There is every indication at Harvard that athletic relations between the Crimmon and the University of Pennsylvania are to be resumed this year, and Harvard men are much gratified to learn that arrangements have been made between the Baseball Committees of the two institutions for a ball game this year.

Theodore E. Brown, chairman of the Pennsylvania Baseball Committee, has been spending a few days in Boston, and while here scheduled a game for June, to be played on the Harvard diamond, with the understanding that the Quakers will meet Harvard next year in a series of two games, one to be played here and the other on Franklin Field.

While there is some talk among the students and alumni at Harvard of football relations with Pennsylvania being resumed, nothing definite has been done in the matter, and it is doubtful if a game between these two old rivals will take place in the next year or two. Relations in baseball, however, appear to be most friendly, and both colleges have put this game on their 1911 schedules, although neither schedule has as yet been ratified by the proper authorities.

After a period of several years, during which time Harvard and Pennsylvania have not met, the two institutions are resuming relations in all the minor sports and also in track athletics, where they meet in the intercollegiate championships and in the University of Pennsylvania relay races.

This baseball game is but another connecting link towards the resumption of all-around athletic relations, and it is quite likely that the Crimmon teams will be once more regular visitors to Franklin Field, as will the Quakers in the Harvard stadium.

BOSTON AMERICANS START WEST FEB. 18

The longest spring training trip ever undertaken by a major league baseball team is indicated for the Boston American players by the itinerary. The actual training will be done at a health resort between San Francisco and Los Angeles.

The start will be made February 18th, and the trip will last nearly two months. During their stay in California the players will meet the Los Angeles and San Francisco teams of the Pacific Coast League and others, and on March 26th will break camp in two divisions to take up schedules which in part are as follows:

Southern division—March 27th, Yuma, Ariz.; March 28th, Tucson or Phoenix, Ariz.; March 29th and 30th, El Paso, Tex.; March 31st, Amarillo, Tex.; April 1st, Oklahoma City, Okla.; April 2d and 3d, Wichita, Kan.; April 4th and 5th, Topeka, Kan.
Northern division—March 7th, Reno, Nev.; March 28th, Orem, Utah; March 29th, Salt Lake; March 30th, Grand Junction, Colo.; March 31st, Pueblo, Colo.; April 1st, 2d and 3d, Denver.

An unofficial speed record for airplanes, over a mile track at the grounds of the Tri-State Fair Association, at Memphis, Tenn., has been announced. Charles K. Hamilton is credited with the feat of traveling the air at the rate of 79 1/5 miles an hour during a 2 minute and 1 second flight. Sixty-six miles an hour, made by Hamilton last September, at Sacramento, was heretofore regarded as a record under like conditions.
